

HFE Human Factors and Ergonomics Namibia Newsletter

Where do Human Factors & Ergonomics fit in?

Very often, people want to know: where do HFE specialists fit in? The answer is not always that straight-forward, yet obvious to those in this industry: **anywhere where humans perform work.**

Your **challenges and safety in the workplace** is where we assist your organisation. HFE specialists don't always have all the answers, but we are equipped with tools and models to assist organisations to identify the problem-areas and provide suitable recommendations. HFE specialists assist you to create a safe, efficient and suitable workplace.

Contact us if you **would like to discuss your challenges.**
